

2025 DRIVER SKILLS & FAMILY DAY!

The Toronto Regional Truck Driving Championship is pleased to present the **2025 Driver Skills & Family Day**, dedicated to the Professional Commercial Vehicle Driver and their families.

“A competition of Safe & Skillful driving maneuvers for the Truck Transportation Industry!”

The Toronto Regional Truck Driving Championship (TRTDC) was designed to promote greater public awareness that truck driving is an important and necessary profession.

For over 30 years, the Championship has provided a forum for the professional truck driver to display his/her skill, as well to encourage drivers and their employers to take an active interest in the safety, skill and courtesy needed to conduct a responsible business on our streets and highways.

Through a series of difficult competitive tests that measure the level of driver expertise, the contestant's knowledge of rules of the road, safety, courtesy and efficiency in vehicle handling are evaluated.

There are five competitive classes.

1. **Straight Truck**
2. **Single-Single**
3. **Single-Tandem**
4. **Tandem-Tandem**
5. **B-Train**

The 2025 TRTDC event will be held on Saturday, May 31st, 2025 at the C.A.A. CENTRE 7575 Kennedy Rd., Brampton Ontario, start time 9 am. Free to public to watch.
